

WOLLENBERG BUILDING CONSERVATION, LLC

3/30/10

To Whom It May Concern:

I have performed nearly a dozen mortar analyses on historic buildings for Staat Tuckpointing over some five years including projects in Columbia and Kirksville, Missouri. Staat has always exhibited a keen interest in respecting the original integrity and appearance of historic masonry. Staat specializes in historic buildings and takes pride in craftsmanship and shows a greater comprehensive understanding of the often complex issues related to historic masonry walls and mortar than other contractors I have observed.

I readily recommend Staat Tuckpointing.
